LA EMPRESA

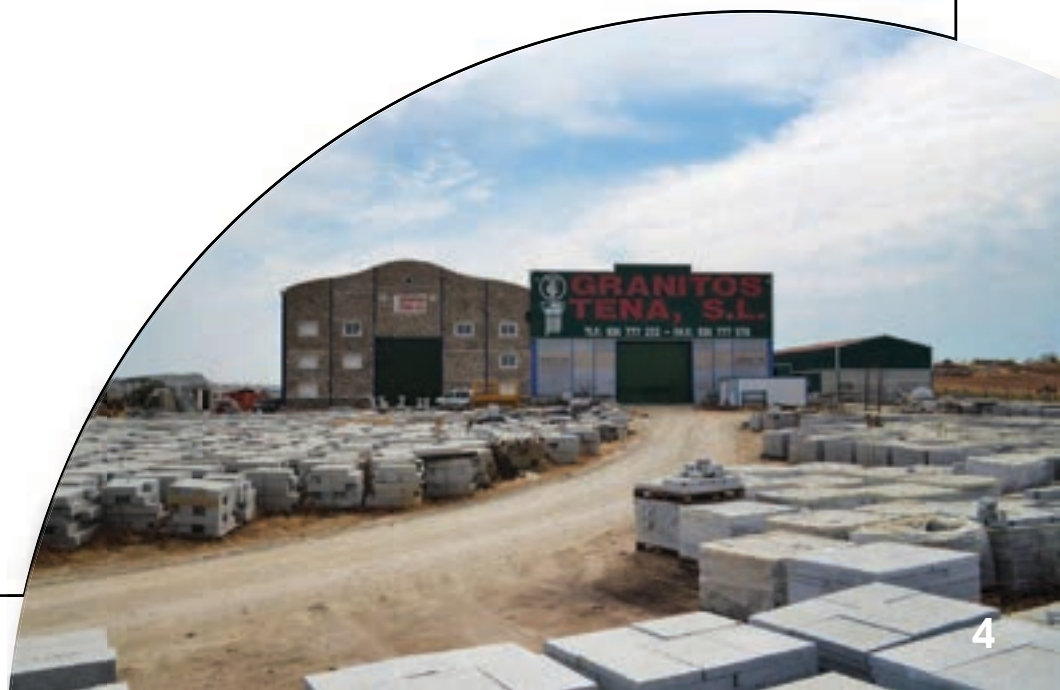

The Company / Das Unternehmen

En Granitos Tena S.L. llevamos más de veinte años explotando nuestras canteras y elaborando multitud de productos relacionados con el granito. Actualmente explotamos cinco canteras, de las que extraemos seis tipos diferentes de granitos, de los cuales cinco son totalmente exclusivos. De igual forma, nuestra empresa sigue haciendo esfuerzos con el objetivo de seguir creciendo y ofrecer a nuestros clientes un servicio más cercano, con un amplio abanico de productos.

Siempre hemos seguido unos principios y valores, gracias a los cuales hemos construido la confianza de nuestros clientes, tanto a nivel internacional como nacional, basándonos en el compromiso, la seriedad, puntualidad, honestidad y responsabilidad que siempre nos ha caracterizado para así ofrecer la más alta calidad tanto en nuestros productos como en nuestro servicio.

Actualmente contamos con procesos de fabricación con la más moderna maquinaria y últimas tecnologías del sector, con el fin de hacer frente a las necesidades de los mercados en lo que se refiere a calidad del producto y fiabilidad en los plazos de entrega.

Además, trabajamos desde hace años en la introducción de nuestros granitos en los mercados extranjeros, como son el estadounidense y otros mercados europeos. Para este propósito, contamos con un grupo de personal con conocimientos en idiomas y comercio internacional.

In Granitos Tena S.L. we have been exploiting our quarries for more than twenty years and elaborating a multitude of products related to granite. We currently exploit five quarries, from which we extract six different types of granites, five of which are totally exclusive. In the same way, our company continues to make efforts with the aim of continuing to grow and offer our customers a closer service, with a wide range of products.

We have always followed certain principles and values, thanks to which we have built the trust of our customers, both internationally and nationally, based on the commitment, seriousness, punctuality, honesty and responsibility that has always characterized us in order to offer the highest quality in our products and service.

We currently have manufacturing processes with the most modern machinery and latest technologies in the sector, in order to meet the needs of the markets in terms of product quality and reliability in delivery times.

In addition, we have been working for years in the introduction of our granites in foreign markets, such as the American and other European markets. For this purpose, we have a group of personnel with knowledge in languages and international trade.

Wir von Granitos Tena S.L. bewirtschaften unsere Steinbrüche seit mehr als zwanzig Jahren und stellen eine Vielzahl von Granitprodukten her. Derzeit betreiben wir fünf Steinbrüche, aus denen wir sechs verschiedene Granitarten gewinnen, von denen fünf völlig exklusiv sind. Unser Unternehmen ist bestrebt, weiter zu wachsen und unseren Kunden mit einer breiten Produktpalette einen besseren Service zu bieten.

Wir haben uns immer an bestimmte Grundsätze und Werte gehalten, dank derer wir das Vertrauen unserer Kunden auf nationaler und internationaler Ebene gewonnen haben. Dies beruht auf dem Engagement, der Seriosität, der Pünktlichkeit, der Ehrlichkeit und der Verantwortung, die uns seit jeher auszeichnen, um sowohl bei unseren Produkten als auch bei unserem Service die höchste Qualität zu bieten.

Derzeit verfügen wir über Produktionsprozesse mit den modernsten Maschinen und neuesten Technologien des Sektors, um den Anforderungen der Märkte in Bezug auf Produktqualität und Zuverlässigkeit bei den Lieferzeiten gerecht zu werden.

Darüber hinaus arbeiten wir seit Jahren an der Einführung unserer Granite auf ausländischen Märkten, wie dem amerikanischen und anderen europäischen Märkten. Zu diesem Zweck verfügen wir über eine Gruppe von Mitarbeitern mit Sprachkenntnissen und Kenntnissen des internationalen Handels.
